

PHOTOGRAPHY CONTEST

The West and Rhode Rivers have some of the most spectacular scenery and wildlife in the Chesapeake region. Combine that with a digital camera and anyone can be another Ansel Adams.

We need more photos for our newsletters, website, and other uses. In order to encourage everyone to participate, we are announcing our first photo contest. Here are the rules:

- Photos must be taken in the West/Rhode watershed.
- Photos must be submitted by May 31, 2008.
- Photos must be submitted by e-mail to photos@westrholderiverkeeper.org.

Everyone who submits a photo will get a prize. Prizes may include event tickets, T-shirts, bumper stickers, or anything else that is handy.

Submitted photos may be used on our website, the newsletter, a future calendar, or on any other W/RR publication or materials.
